Dear Kevin,

Please find a cheque enclosed in final payment of our extension. We would like to take this opportunity to thank you for the excellent work you have carried out on our property. Debby is extremely happy with the finished kitchen and has asked me to pass on her personal thanks.

When we first contacted you about the extension, we did have our concerns as you hear so many horror stories about builders and the associated problems that can occur. We would just like to say that it was completely to the contrary. We found you highly professional throughout the project. Your work was to an extremely high standard and there were no hidden costs. We would not hesitate to recommend you to anyone.

Kind regards,

Peter and Debby Hatt
